n4017f01: NEW GLOBAL WHITE INTRODUCED ..

Starting from April 2017 on the productions of Fabric Care factories of Comunanza, Manisa, Radomsko and Lipetsk a new WHITE called “Global White” has been introduced, replacing the previous one Polar White.
All the new Global White products maintained the same commercial code, even though the industrial code will be modified inserting in the last two digits ==> “97”, as the following example:

IWD61052CECOPL ==> F089961
30899610000 = Polar White
30899610097 (o later) = Global White

The new Global White components (all identified with “GW” in each description), due to a big difference of colour between Polar and Global, are not aesthetically interchangeable with the previous Polar White.
The Polar White spare parts will continue to be managed by Spare Part Center Warehouse for a limited time period.

When the stock of Polar White ends, the direct substitution with Global White will be managed.

n4018j05: NEW DRAIN PUMP-TUB HOSE + BALL INTRODUCED 58LT

New drain pump-tank hose intriduced code C00536975 instead of C00386630

n4226c00: F13 or poor drying performances

Issue: F13 or poor drying performances
Potential root cause: NTC (WD products)

Before to replace the

NTC please verify its functioning through a multimeter.
@25°C
OK: 20000 Ohm
KO: infinite

If OK: open the blower and remove the excess of fluff + check the filter status

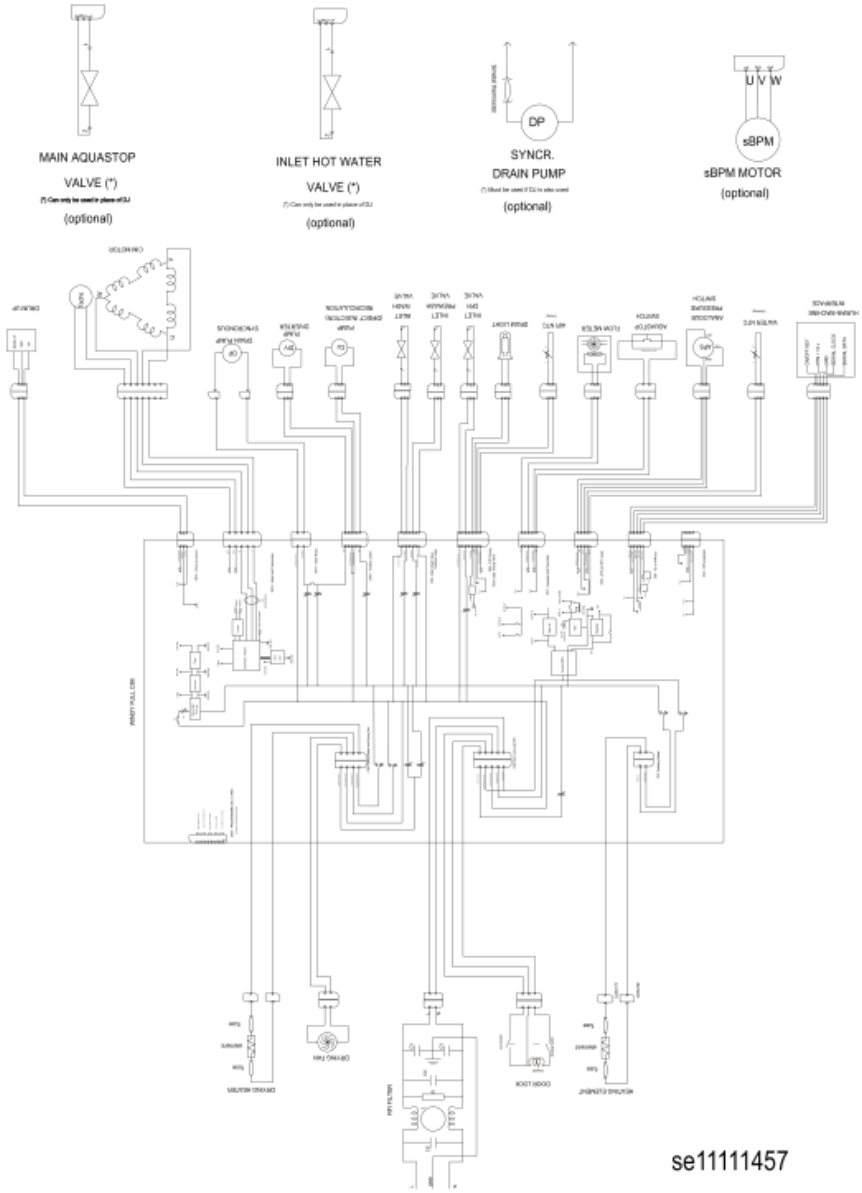

If KO: replace the NTC and ship it back as per System request
