**Only the below mentioned parts will be available in the after sales phase.**

## Specifications

### Technical specifications

- **Wattage : 2300 W**
- **Cord lenght : 2.5 m**
- **Color / finishing : White and Gold**
- **Motor : DC**
- **Dual voltage : No**
- **Ceramic coating**
- **Swivel cord**
- **Ion conditioning**

### Features

- **Cool shot**

### Service

- **2-year guarantee**

## Healthier drying with innovative sensor

The Philips ActiveCare hairdryer is equipped with the unique TempPrecision™ Sensor, that measures the temperature of the hair and automatically switches down the temperature, once the hair is dry. The healthy moisture stays within the hair.

### Beautifully styled hair

- **Cool Shot sets your style**
- **Perfect styling results with a slim styling nozzle**
- **Volume diffuser enhances volume, for curls and bouncy styles**

### Easy to use

- **Six flexible speed and temperature settings for full control**
- **Avoid hair trapping with the removable filter**

### Prevents damage

- **More Care with ion conditioning for shiny, frizz-free hair**
- **More Care with ceramic elements, providing far infrared heat**
- **100% protection from overheated hair with TempPricision**
